

IMPLEMENTATION AND SCALING UP
THE HIGH IMPACT PRACTICES
OF FAMILY PLANNING IN NEPAL

23-24 SEPTEMBER, 2024

SUPPORTED BY:

ORGANIZED BY:

Government of Nepal
Ministry of Health and Population
Department of Health Services
Family Welfare Division

Workshop Objectives

- ✚ Share successful approaches, experiences and lessons learned from implementing HIPs in FP programmes.
- ✚ Enhance capacity of FP programme implementers and service providers to adapt and scale HIPs.
- ✚ Develop/ adapt strategies to implement the selected high impact practices in family planning.
- ✚ Create South-South learning platform: facilitate establishment of win-win longer term partnership with selected countries in the region for two-way learning.

Thank You
